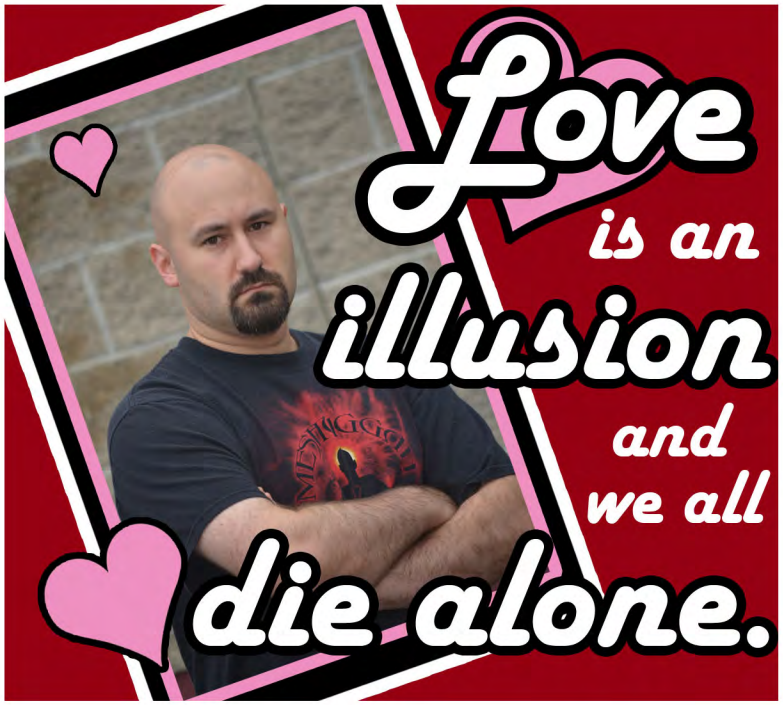
Won't you be our
Wacken-tine?

Happy Half-Priced Candy Day
SNACK METAL 4EVER

Valentine,
you're simply
Magical

You give me a funny feeling in my tummy



Love
is an
illusion
and
we all
die alone.

We were told
there would be
Chocolate
Where
is the
Chocolate?

You Make My
Skip
a
Beat

You
are
almost as
Pretty
as me,
Valentine
